Actual Submission Date	M20 (June 2021)
Main Author	Katja Jung
Institution	Universität Potsdam
E-mail	katja.jung@uni-potsdam.de
Abstract	The learning management system (EDUC Moodle) is an integrated set of interactive online services that provide teachers, students and administrators involved in education with information, tools and resources to support and enhance educational delivery and management. Courses spaces allow the organisation of schedules, sharing of materials and give access to open learning resources.
Keywords	Learning management system; distance learning; single sign on; EduGain; online courses; online resources

Public access to front page of web application: <https://learning.educalliance.eu>

Restricted login for members of partner universities through single sign-on (EduGain) using the local university mail address.
